9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

We have a client that had a General Court Martial on 4/17/00 while in the Navy. The charge was for Conspiracy to Sell Marijuana and was found Guilty at the Court Martial. The client was sentenced to 15 months confinement, \$500 forfeiture, 9 months suspended sentence and dismissal from service with bad conduct discharge. Our department Fraud Investigator is adamant that because the sentence was for 15 months, this constitutes a Felony and the client is not eligible to CalFresh benefits since he is a Drug Felon.

Literal charges were: Possession and Importation of Marijuana, Wrongful Use Of and Possession of Marijuana and Conspiracy to Sell Marijuana

10. REQUESTOR'S PROPOSED ANSWER:

<http://www.JustAnswer.com/military-law> replied to my question stating that under Federal Law a GCM conviction is considered a felony conviction. In this case, California recognizes this as a felony drug charge. I can't find any CalFresh regulation to support this.

11. STATE POLICY RESPONSE (CFPB USE ONLY):

Consistent with criteria identified in MPP Section 63-402.229, the client would be considered an excluded drug felon ineligible for CalFresh at this time. However, Assembly Bill 1468 repeals the existing lifetime ban on CalFresh benefits for an individual convicted of certain drug-related felonies. The client will be eligible for CalFresh starting in April of 2015 provided all other eligibility requirements are met.
